Parental Controls
Allow 15-30 minutes after connecting your converter to set these features.

Visit buckeyebroadband.com for more information on parental controls.

EXPRESS TV POWERED BY TIVO

1. Press TiVo button to open the TiVo Central screen.
2. Scroll to Settings & Messages and press SELECT. Scroll to Parental Controls and press SELECT.
3. Highlight 'Turn on Parental Controls' and press SELECT. Then, you will create your four-digit pin.
4. Block TV and Movie Rating, Lock Channels, or Hide all Adult Content. Navigate through the control options by using your directional pad and press SELECT to block or unblock.
5. You will be required to enter your four-digit pin to change or turn off all parental control settings or to watch a locked channel. When you turn off Parental Controls your pin is deleted.
6. Press the LIVE TV button on your remote to return to normal TV viewing.

HD/DIGITAL CONVERTER BOXES

1. Press MENU button twice to open the main menu.
2. Scroll to Parental Controls and press OK/SELECT.
3. You will be prompted to create your four-digit Locks Pin.
4. Block TV Rating, Movie Rating, Channel Locks, Master Lock or Adult Titles. Navigate through the rating options by using your directional pad and press OK/SELECT to lock or unlock programs by rating.
5. Press the EXIT button on your remote to return to normal TV viewing.

WHOLE-HOME BUCKEYE MEDIA GATEWAY

Note: If using Buckeye Media Gateway media players, parental controls must be setup individually on each media player.

1. Press MENU button to open the main menu.
2. Scroll to SETTINGS then PARENTAL CONTROLS and press OK.
3. Scroll to ON to activate Parental Controls and press OK. You will be prompted to create your four-digit Pin.
4. From Parental Controls press OK and scroll to SETTINGS and press OK.
5. Block TV Ratings, Movie Ratings, Lock by Channel, or 4 Hours. Navigate through the rating options by using your directional pad and press OK to lock or unlock programs by rating.
6. Press the LIVE TV button on your remote to return to normal TV viewing.

HD DTA

1. Press MENU button to open the main menu.
2. Scroll to LOCKS SETUP and press OK.
3. You will be prompted to create your four-digit Pin.

SETTING MASTER LOCKS
There are two settings, totally unlocked or totally locked. The totally locked setting blocks ALL channels on the HD DTA

1. Press MENU button to enter your four-digit Pin.
2. Scroll to MASTER LOCKS and select LOCK ALL PROGRAMS.

SETTING CHANNEL LOCKS
By default, no channels are locked on the HD DTA.

1. Press MENU button on your remote and enter your four-digit Pin.
2. Scroll to CHANNEL LOCKS.
3. Scroll to the channel you’d like to block and press OK. You’ll notice the icon on the right changes to “Locked” position.
