

Products & Services Overview

Let us help create your business success story.

Buckeye Broadband Business Class is your local expert for the most reliable Internet speeds, phone service, HD Cable TV, IT support, Static IP, and more! We offer a full line of technology solutions to keep your business running at top speed.

Because we're local, we have a thorough understanding of the needs and the challenges facing small businesses. Your Buckeye Broadband Business Class Account Executive is here to answer your questions and find the best services to fit your unique business model.

BUSINESS HIGH-SPEED INTERNET PLANS

As a business owner, you understand the importance of reliable high-speed Internet. Buckeye Broadband Business Class has plans designed to help your business be more competitive, efficient, and successful.

100 Mbps	200 Mbps	400 Mbps	Gig
DOWNLOAD SPEED			
100 Mbps	200 Mbps	400 Mbps	1000 Mbps
UPLOAD SPEED			
5 Mbps	5 Mbps	10 Mbps	10 Mbps
DATA PLAN			
500 GB	1000 GB	1000 GB	Unlimited Data

UNLIMITED DATA, DOUBLE-UPLOAD, STATIC IP

Surf the web and download files without limits. Add Unlimited Data and Double Upload to keep your business on track without worrying about data allowance. If your business maintains a web server, has external devices connecting to the network, or uses VPN to remotely connect, including one or more Static IPs is essential.

BUSINESS HD CABLE TV

Keep your customers relaxed and entertained with affordable and customizable cable TV packages. From local channels to premium networks, get the right entertainment for your business needs.

BUSINESS PHONE PLANS

Your phone is an integral piece of your business network. Buckeye Broadband Business Class phone lines are flexible and reliable. Get local, long-distance, voicemail, and other helpful features like Call Transfer and Automatic Call Back.

IT SOLUTIONS

Buckeye BrainiacPro is an elite technology team that provides the right tools and IT support that small businesses need for success.

Services are available remotely and on site:

- Network configuration
- Computer optimization
- Complex network monitoring
- Virus and malware protection
- Network troubleshooting
- Unlimited phone support
- Service for multiple business locations

Choose from 4 service levels:

BrainiacPro Lite	Support for 1–5 devices
