# Setting Your Parental Controls

Because Buckeye Broadband offers a wide array of programming choices, there are a variety of parental control options that allow you to control the programming shown in your home. Depending on your equipment, there are options to block specific programs or entire channels.

To learn how to set and manage parental controls, visit [buckeyebroadband.com/support](http://buckeyebroadband.com/support).

Customer Service Representatives are available 24/7 to answer any questions you may have.
