## Setting Your Parental Controls

One of StreamTV's key features is control. Because Buckeye Broadband offers a wide array of programming choices, there are a variety of parental control options that allow you to block specific programs or entire channels.

To enable parental controls, create a PIN from inside the StreamTV app. When activated, the PIN must be entered each time mature content is played. To learn more, visit [BuckeyeBroadband.com/StreamTV](http://BuckeyeBroadband.com/StreamTV).
